

***“Guided by our vision and striving to achieve the mission, let us take all efforts to ensure the quality of higher education to reach greater height”.***

The journey began when Vikas College of Arts, Science & Commerce was established in 1986 as a Night College - Vikas Night College of Commerce - to fulfil the motto “Learning with Earning” of its visionary founders. With its mission to impart higher education to the masses, especially, the weaker and underprivileged sections of society, within a short span of time, that small initiative in the form of a Night Commerce College could reach a remarkable milestone in the field of education in the form of a multi-disciplinary postgraduate college and research center “**Vikas College of Arts, Science & Commerce**” affiliated to University of Mumbai.

At Vikas College of Arts, Science & Commerce our commitment to our students is embodied in our college’s maxim. “Learners Today, Leaders Tomorrow”-The faculty and students of our college strive to reinforce this each and every day. The college provides an inspiring and dynamic educational environment where students embrace challenge, respect diversity, and achieve their personal best. Our college offers ten (10) Undergraduate, six (06) Postgraduate and one (01) Ph.D. programme affiliated to University of Mumbai.

As a recognition of its endeavors and achievements in the academic, cultural and social realms, NAAC had accredited the college with “B+” grade in first cycle and then reaccredited with “A” grade (CGPA 3.15) in the second cycle of Assessment. Regular academic audit also helps us to understand and identify our areas of strength and weakness in the field of higher education. On recognizing our journey with quality education, University of Mumbai has assigned our College the role of a mentor institution (Lead College) for monitoring, encouraging and bringing qualitative enhancement in the recognized colleges in the geographic vicinity (cluster Colleges).

The College has been able to achieve remarkable success in all areas with the sincere support of the students, parents, teaching and non-teaching staff, Alumni and the Governing Body of the College.

I find it my privilege to welcome you to the official website of Vikas College of Arts, Science & Commerce, Vikhroli (East) Mumbai. As the Principal, I am proud to lead this esteemed institution, known for its rich academic heritage and commitment to excellence.

Warm regards,

Dr Ranjan K. Patra  
Principal
